

THE RIGHT WAY FOR THE RIGHT REASONS

VOCAL & TEAM www.davidvocaldds.com

Although in Dentistry we primarily treat the mouth and all of its structures, the oral cavity is connected to the rest of the body and acts as the Gateway to many of its organ systems. Health problems that you may have or medications that you may be taking could have an important interrelationship with the Dentistry you will receive. Therefore, it is important that you answer all of the pertinent questions. Thank you!

Cancellation and Failed Appointment Policy

Your oral hygiene is important to us and we strive to provide excellent dental care to you, as well as all of our patients. In order for us to keep this level of service, we have a Cancellation and Failed Appointment Policy that allows us to schedule appointments for all patients. When we make your appointment, we are reserving a room for your particular needs. We ask that if you must change an appointment, please give us at least 24 hour's notice. This courtesy makes it possible to give your reserved room to another patient who would like it.

Our policy is as follows:

For regular appointments, we require at least 24 hours notice for any appointment changes or cancellations.

For appointments 90 minutes and longer (such as for crowns, bridges or scaling and root planning), we require at least 48 hours notice for any appointment changes or cancellations.

Three late cancellations or failed appointments (or the combination of) may result in a dismissal from our practice. We understand that situations may arise which prevent proper notification for missing an appointment, so we will review each account for evidence of abuse of the cancellation policy.

This policy allows for other patients to be scheduled into the appointment time you cannot make. If you miss an appointment without contacting our office within the required time, this is considered a missed appointment. A fee of \$50.00 will be charged to you; this fee cannot be billed to your insurance company and will be your direct responsibility. No future appointments can be scheduled nor can records be transferred without the payment of this fee.

If you have any questions regarding this policy, please let our office know and we will be glad to clarify any questions you have.

We thank you for trusting us with your dental care.

I have read and understand the Cancellation and Failed Appointment Policy of the practice and I agree to be bound by its terms. I also understand and agree that such terms may be amended from time-to-time by the practice.
